I have spent my whole career working in Newham since moving to London back in 1993. I became the Headteacher of Central Park as Headteacher in 2010 and became a member of the Governing Board. I remained Governor on the CPD Schools Federation Governing Board when it was established in June 2018. I bring a wide ranging skill set to the Governing Board.

I have been teaching for nearly 29 years, 13 years as Headteacher and now just over 3 years as the Executive Headteacher of the CPD Schools Federation. I was previously a Newham resident and now live in Tower Hamlets. Each Borough has a very diverse community which is my main reason for wanting to live and work where I do.

The Federation now consists of 3 Newham primary schools. I am committed to making a difference to the lives of pupils and help them have the best start in life by achieving highly in the Federation both academically and personally as a responsible citizen.

Outside of education I love to travel, and have been lucky enough to visit many countries across the globe; seeing many spectacular, unforgettable sights. I also enjoy animals and usually link my holidays to trying to get to see the big animals in their natural habitat.
